A woman with long brown hair, wearing a patterned blazer over a white top, is seated at a white table. She is holding a white cup of coffee with a latte art design. On the table in front of her is a white plate with a golden-brown croissant, a pair of sunglasses, and a small white rose. The background is a blurred indoor setting.

SOMETHING for everyone

From 'grab and go' to a seated dinner, matinee meals to happy hour, The Junction at Gateway Center has gotten a delicious upgrade as New Jersey's most exciting home base for Garden State dining.

In addition to the wide array of new restaurants, more and more lifestyle retailers continue to join our concourse, transforming The Junction into the ultimate destination for culture, convenience and cuisine for Gateway employees, the downtown Newark community, and beyond.
